

Museum Pass

Syracuse University has made each student a member of the *Amici degli Strumenti Musicale* which in turn provides a pass that entitles you free entrance to the following locations:

- Medici Chapels at San Lorenzo
- San Marco Museum
- Uffizi Galleries
- Accademia Galleries
- Cenacolo di Sant'Apollonia
- Cenacolo di San Salvi
- Palazzo Davanzati
- Opificio delle Pietre Dure
- National Museum of Sculpture (Bargello)
- Palazzo Pitti (Galleria Palatina, Museo degli Argenti, Galleria del Costume, Galleria d'Arte Moderna)

Please observe the following rules and regulations:

The pass is good for only the card holder.

You will need to show identification with the pass at the ticket window when obtaining a ticket. A passport, student identification or photocopy of either will do.

You will need to show the pass and identification when using the card during a class visit. If you come to a site visit without your pass, you will be responsible for paying the entrance fee and not be entitled to a reimbursement.

The pass is NOT good for reservations. If you wish to make reservations to avoid long lines at the Uffizi or Accademia you can do so by calling *Firenze Musei* at: 055-294883. (You will not need to worry about making reservations if you are visiting a museum with a class.)

If you lose the pass, it is your responsibility to replace the card. You may contact Laura Bognetti at the Museum of Musical Instruments:

AccademiaMusicale@polomuseale.firenze.it. You must make an appointment to pick up your replacement pass at Via Ricasoli, 60.
